CHOOSE YOUR FRANCHISE MODEL

Two flexible ways to own a Startup Cafe franchise

MODEL 1

ONE-TIME INVESTMENT MODEL

₹5,00,000

+ Applicable Taxes
+ 20% Royalty

Full brand license to operate as Startup Cafe in your city

Complete setup guidance & interior design blueprint

One-time investment + applicable taxes and 20% royalty

Access to all Startup Cafe systems, SOPs & tech tools

Lifetime membership to the Startup Cafe franchise network

MODEL 2

REVENUE SHARE MODEL (40% ROYALTY)

₹50,000

+ Applicable Taxes
+ 40% Royalty

Low upfront investment + applicable taxes and 40% royalty

Pay only 40% of your monthly revenue to Startup Cafe

Full brand & operational support from day one

Ideal for entrepreneurs who want low-risk entry

Scale up and switch to One-Time Investment Model anytime

Apart from the franchise investment, the setup of your own infrastructure (interior, furniture, equipment, technology, initial branding, etc.) will cost approximately **₹22 – ₹30 Lakhs** on an average.
